As per California Senate Bill 323 The new 2020 act requires our homeowner's association to adopt rules that, among other things, specify the qualifications for candidates for the board of directors of the association and any other elected position, qualifications for voting, the voting power of each membership, the authenticity, validity, and effect of proxies, and the voting period for elections.

This bill would, among other things, require an association to provide general notice of the procedure and deadline for submitting a nomination as a candidate at least 30 days before any deadline for submitting a nomination.

The first order is delivering the amendments and election operation rules to the homeowners: Please note the "The rules governing this election may be found here on the community portal www.marbellacommunity.com under documents."

Please note: HOA Elections of California (www.myhoavote.com) will serve as the appointed inspector of elections. They will count the ballots during our annual meeting; TBD in June 2020. During the following months leading up to the election you will receive several notifications from the board and management keeping you aware and answering questions you may have regarding the new common interest development law. Currently there are three director positions up for reelection in June of 2020.

SEC. 2.

Section 5105 of the Civil Code is amended to read:

5105.

- (a) An association shall adopt operating rules in accordance with the procedures prescribed by Article 5 (commencing with Section 4340) of Chapter 3, that do all of the following:
- (1) Ensure that if any candidate or member advocating a point of view is provided access to association media, newsletters, or internet websites during a campaign, for purposes that are reasonably related to that election, equal access shall be provided to all candidates and members advocating a point of view, including those not endorsed by the board, for purposes that are reasonably related to the election. The association shall not edit or redact any content from these communications, but may include a statement specifying that the candidate or member, and not the association, is responsible for that content.
- (2) Ensure access to the common area meeting space, if any exists, during a campaign, at no cost, to all candidates, including those who are not incumbents, and to all members advocating a point of view, including those not endorsed by the board, for purposes reasonably related to the election.
- (3) Specify the qualifications for candidates for the board and any other elected position, subject to subdivision (b), and procedures for the nomination of candidates, consistent with the governing documents. A nomination or election procedure shall not be deemed

reasonable if it disallows any member from nominating themself for election to the board.

- (4) Specify the voting power of each membership, the authenticity, validity, and effect of proxies, and the voting period for elections, including the times at which polls will open and close, consistent with the governing documents.
- (5) Specify a method of selecting one or three independent third parties as inspector or inspectors of elections utilizing one of the following methods:
- (A) Appointment of the inspector or inspectors by the board.
- (B) Election of the inspector or inspectors by the members of the association.
- (C) Any other method for selecting the inspector or inspectors.
- (6) Allow the inspector or inspectors to appoint and oversee additional persons to verify signatures and to count and tabulate votes as the inspector or inspectors deem appropriate, provided that the persons are independent third parties.
- (7) Require retention of, as association election materials, both a candidate registration list and a voter list. The voter list shall include name, voting power, and either the physical address of the voter's separate interest, the parcel number, or both. The mailing address for the ballot shall be listed on the voter list if it differs from the physical address of the voter's separate interest or if only the parcel number is used. The association shall permit members to verify the accuracy of their individual information on both lists at least 30 days before the ballots are distributed. The association or member shall report any errors or omissions to either list to the inspector or inspectors who shall make the corrections within two business days.
- (b) An association shall disqualify a person from a nomination as a candidate for not being a member of the association at the time of the nomination.
- (1) This subdivision does not restrict a developer from making a nomination of a nonmember candidate consistent with the voting power of the developer as set forth in the regulations of the Department of Real Estate and the association's governing documents.
- (2) If title to a separate interest parcel is held by a legal entity that is not a natural person, the governing authority of that legal entity shall have the power to appoint a natural person to be a member for purposes of this article.
- (c) Through its bylaws or election operating rules adopted pursuant to subdivision (a) of Section 5105 only, an association may disqualify a person from nomination as a candidate pursuant to any of the following:
- (1) Subject to paragraph (2) of subdivision (d), an association may require a nominee for a board seat, and a director during their board tenure, to be current in the payment of regular and special assessments, which are consumer debts subject to validation. If an association requires a nominee to be current in the payment of regular and special assessments, it shall also require a director to be current in the payment of regular and special assessments.

- (2) An association may disqualify a person from nomination as a candidate if the person, if elected, would be serving on the board at the same time as another person who holds a joint ownership interest in the same separate interest parcel as the person and the other person is either properly nominated for the current election or an incumbent director.
- (3) An association may disqualify a nominee if that person has been a member of the association for less than one year.
- (4) An association may disqualify a nominee if that person discloses, or if the association is aware or becomes aware of, a past criminal conviction that would, if the person was elected, either prevent the association from purchasing the fidelity bond coverage required by Section 5806 or terminate the association's existing fidelity bond coverage.
- (d) An association may disqualify a person from nomination for nonpayment of regular and special assessments, but may not disqualify a nominee for nonpayment of fines, fines renamed as assessments, collection charges, late charges, or costs levied by a third party. The person shall not be disqualified for failure to be current in payment of regular and special assessments if either of the following circumstances is true:
- (1) The person has paid the regular or special assessment under protest pursuant to Section 5658.
- (2) The person has entered into a payment plan pursuant to Section 5665.
- (e) An association shall not disqualify a person from nomination if the person has not been provided the opportunity to engage in internal dispute resolution pursuant to Article 2 (commencing with Section 5900) of Chapter 10.
- (f) Notwithstanding any other law, the rules adopted pursuant to this section may provide for the nomination of candidates from the floor of membership meetings or nomination by any other manner. Those rules may permit write-in candidates for ballots.
- (g) Notwithstanding any other law, the rules adopted pursuant to this section shall do all of the following:
- (1) Prohibit the denial of a ballot to a member for any reason other than not being a member at the time when ballots are distributed.
- (2) Prohibit the denial of a ballot to a person with general power of attorney for a member.
- (3) Require the ballot of a person with general power of attorney for a member to be counted if returned in a timely manner.
- (4) Require the inspector or inspectors of elections to deliver, or cause to be delivered, at least 30 days before an election, to each member both of the following documents:
- (A) The ballot or ballots.

- (B) A copy of the election operating rules. Delivery of the election operating rules may be accomplished by either of the following methods:
- (i) Posting the election operating rules to an internet website and including the corresponding internet website address on the ballot together with the phrase, in at least 12-point font: "The rules governing this election may be found here:"
- (ii) Individual delivery.
- (h) Election operating rules adopted pursuant to this section shall not be amended less than 90 days prior to an election.

- (b) An association shall provide general notice of all of the following at least 30 days before the ballots are distributed:
- (1) The date and time by which, and the physical address where, ballots are to be returned by mail or handed to the inspector or inspectors of elections.

- (c) Ballots and two preaddressed envelopes with instructions on how to return ballots shall be mailed by first-class mail or delivered by the association to every member not less than 30 days prior to the deadline for voting. In order to preserve confidentiality, a voter may not be identified by name, address, or lot, parcel, or unit number on the ballot. The association shall use as a model those procedures used by California counties for ensuring confidentiality of vote by mail ballots, including all of the following:
- (1) The ballot itself is not signed by the voter, but is inserted into an envelope that is sealed. This envelope is inserted into a second envelope that is sealed. In the upper left-hand corner of the second envelope, the voter shall sign the voter's name, indicate the voter's name, and indicate the address or separate interest identifier that entitles the voter to vote.
- (2) The second envelope is addressed to the inspector or inspectors of elections, who will be tallying the votes. The envelope may be mailed or delivered by hand to a location specified by the inspector or inspectors of elections. The member may request a receipt for delivery.

- (d) A quorum shall be required only if so stated in the governing documents or other provisions of law. If a quorum is required by the governing documents, each ballot received by the inspector of elections shall be treated as a member present at a meeting for purposes of establishing a quorum.
- (e) An association shall allow for cumulative voting using the secret ballot procedures provided in this section, if cumulative voting is provided for in the governing documents.
- (f) Except for the meeting to count the votes required in subdivision (a) of Section 5120, an election may be conducted entirely by mail unless otherwise specified in the governing documents.
- (g) In an election to approve an amendment of the governing documents, the text of the proposed amendment shall be delivered to the members with the ballot.
